FISCAL ANALYSIS

ASSUMPTION

Section 453.121:

Officials from the **Office of Administration-Administrative Hearing Commission, Office of the State Courts Administrator**, and the **Department of Health and Senior Services** each assume the proposal would have no fiscal impact on their respective agencies.

Officials from the **Office of the Attorney General** assume any potential costs arising from this proposal can be absorbed with existing resources.

Officials from the **Department of Social Services** state the Children's Division (CD) would anticipate a minimal fiscal impact as a result of this proposed legislation.

This assumption is based upon the fact that this TAFP legislation specifically suggests that the responsibilities for implementing its provisions would primarily fall to the child-placing agencies and the juvenile court. However, the CD would anticipate fielding additional requests and assisting child-placing agencies, and the juvenile court, with search responsibilities as a result of this TAFP legislation.

The CD would anticipate fielding the anticipated requests, determining whether or not the CD has sufficient information and resources to conduct the search, and appropriately referring the adopted adult or the lineal descendant when necessary. The Division could absorb these duties with current resources.

<u>FISCAL IMPACT - State Government</u>	FY 2012 (10 Mo.)	FY 2013	FY 2014

 <u>FISCAL IMPACT - Local Government</u>	 FY 2012 (10 Mo.)	 FY 2013	 FY 2014
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

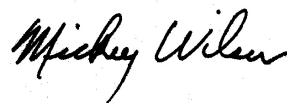

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
